1 A*'s, 4 A's, 4 B's, 1 C

Experience

August 2014 - **Bar Supervisor**, BAR EPERNAY CHAMPAGNE BAR & RESTAURANT.

Present Working in a busy formal bar serving cocktails and waiting tables

- Organising staff and managing orders along with cash office systems
- Working within a team serving a busy bar in a popular establishment
- Speaking with customers of different nationalities and learning basic language skills

June 2014 - **IT Intern**, INTERNATIONAL FINANCIAL DATA SERVICES.

August 2014 Working on individual and group projects dedicated to improving culture and IT applications within IFDS

- Working on my individual project doing MI Reporting, meeting stakeholders and configuring ALM software.
- Working in a group to present and implement digitisation upgrades for the company to the IT leadership team
- After finishing my internship I was promptly offered a place on a full time fast track management scheme which I later declined

September 2008– May 2014 **Duty Manager, ICELAND FROZEN FOODS.**
For this I must show both hard work ethics, and great customer service, as well as leadership and organisational skills, delegating tasks and running a multi-million pound store.

- Starting at the age of 16, I proceeded to work my way up the company, attending a 2 month manager training course.
- Trained to organise staff, timesheets and cash office as well as being trained to give excellent customer service.

June 2013 - **Student Ambassador/Representative, .**

Present Working for the university at several open days and as a mathematics student representative.

- Projected Birmingham University's brand in order to portray a positive image of the university.
- Improved communication through speaking to hundreds of prospective students and parents at open days.
- Acted as a liaison between staff and students to improve the university experience and learning environment within the school of Mathematics.

2008 - **Various voluntary/charity work, .**

present Helping to organise a local charity to raise funds to help those in need. Including 12 weeks animal related voluntary work

- Advertising around the community to raise awareness and help to organise fund raising events such as summer fairs and ferret racing nights.
- Organising meals for large quantities of people including supplies, location and hospitality.
- Helping at local farms and kennels at busy times, and being given the responsibility of looking after hundreds of animals.
