2100 Shiloh Valley Dr NW Apt 1028  
Kennesaw, Georgia 30144  
(770) 401-6678

**OBJECTIVE** Seeking a career that will help me take full advantage of my passion and experience in software engineering and computer science.

**EDUCATION** *Bachelor of Computer Science*, Southern Polytechnic State University, Marietta, Georgia, expected December 2016

**TECHNOLOGY SKILLS** *Programming Languages:* Python, Java, C#, JavaScript, C, C++.  
*Web Backend Technologies:* Django, Django REST Framework, Mongo, Mongo-Engine, PostgreSQL, MySQL, Mandrill, AmazonS3, Heroku.  
*Web Frontend Technologies:* AngularJS, JQuery, JQueryMobile, Bootstrap.  
*Software Engineering:* Agile, Scrum, Git, Atlassian Software Suite.  
*Software:* Visual Studio, Vagrant, Git, Vim, VirtualEnv, VirtualBox.  
*Operating Systems:* Arch Linux, Debian Based Linux Distributions, Fedora Based Linux Distributions, Windows, Mac OSX.

**EXPERIENCE** *Software Engineer* Fall 2013 - Present  
Georgia Tech Research Institute, Electronic Systems Laboratory, Atlanta, GA

- Designed and Developed software for the Department of Defense with a team of Mathematicians, Aerospace Engineers, and Computer Scientists.
- Presented software demos to Department of Defense derived clients.

*Independent Software Contractor* Summer 2014  
JTE Technologies, Kennesaw, GA

- Went through the full software development process with the end result of deploying a large scale software system that manages accessibility to high priority physical and logical assets.

*Owner* Fall 2013 - Present  
E & F Technologies, Kennesaw, Ga

- Created a business that develops software that helps assess and maintain risk at large events for Greek organizations.

**COMMUNITY SERVICE** Helped run the Race Against Violence for the last three years. This race raises money for the victims of domestic violence in Georgia.  
Helped construct a home and deck for the Goshen Valley Boy's Ranch. Cleaned and maintained the trails of Kennesaw Mountain as a repeating event on the second Saturday of every month.

**EXTRA-CURRICULAR ACTIVITIES** Elected *President*, Kappa Sigma Fraternity  
Elected *Treasurer*, Kappa Sigma Fraternity  
Member, Technology Student Association
